

# Parent group

for families with a food allergic child

*Would you like to meet other parents who have a child with food allergy?*

If you would like to meet others with a food allergic child, share experiences and useful tips, or ask our allergy experts questions in an informal setting in the London area, come to our meetings run by the St Mary's Paediatric Allergy team.

Please come on Saturday 21<sup>st</sup> March from 11am-1pm for parents and children under 11years and from 2-4.30pm for those with young adults from 11-18years

Paediatric Research Unit 7<sup>th</sup> Floor QEQM Building St Mary's Hospital, Paddington London W2

Please see Hospital Website for location and travel information

**RSVP: [info@allergysupportgroup.org.uk](mailto:info@allergysupportgroup.org.uk)**

Or text 07749 475964 Katherine Phillips, Allergy Groups Coordinator

Or text 07951 535863 Sara Smillie Group Leader
